2010 Membership Application

Thank you for your interest in, and continued support, of the Asian/Pacific Bar Association of Sacramento. The Asian/Pacific Bar Association of Sacramento (ABAS) was formed in 1981 to promote and protect the interests of Asian and Pacific Islander American attorneys and the API communities in the greater Sacramento area. Since 1981, ABAS has grown to over 115 members, plus a large number of judges, law students, and other non-attorney members. We are a member association of both the Asian/Pacific Bar of California (ABC), the statewide umbrella organization for Asian lawyers' and judges' associations, and the National Asian Pacific American Bar Association (NAPABA), the national umbrella organization for Asian lawyers' and judges' associations. ABAS is certified by the State Bar of California and is an affiliate member organization of the Sacramento County Bar Association. ABAS has been described as one of the most dynamic organizations in the Sacramento legal community and the Asian/Pacific Islander American communities. We are an advocate in the Legislature and the Governor's Office on issues of concern to the Asian American community statewide, and continue to participate, educate and serve a leadership role in local community issues.
